

WOOLTEX UK Ltd

Environmental Policy

The company is based in West Yorkshire and is a textile manufacturer of contract upholstery fabrics and window blinds.

Wooltex UK carries out various manufacturing processes in house and in addition sources raw materials and processes from various parts of the world and from within the UK.

We are committed to continual improvement of our Environmental Management System to enhance our environmental performance and we will:

- Demonstrate a commitment to comply with the relevant compliance obligations and other industry codes of practice.
- Seek to protect the environment and prevent pollution in the formulation of our products and the operation of our manufacturing processes.
- Take account of the concerns of interested parties such as regulators, shareholders, and the public and make this policy available to our interested parties via our website.
- Set and regularly review targets to support continual improvement of the Environmental Management System to enhance performance.
- Ensure that all employees are aware of this policy and trained in their environmental responsibilities.
- Encourage all our suppliers to adopt similar policies to reduce the environmental impact.

This policy will be implemented within the framework of an Environmental Management System.
