

Wooltex UK Limited

Quality Policy

Quality is important to our business and we strive to provide our customers with products and services which meet or exceed their expectations. The scope covers the design, manufacture and supply of fabrics for interior textiles. Senior Management are committed to delivering this through its Quality Management System and it is the policy of Wooltex UK Limited to ensure:

- That we aim for continuous improvement throughout our business
- We provide our customers with products and service that meet their expectations
- The achievement of long-term business profitability by providing improving internal systems and delivering the highest practical level of service to our customers.
- That all services are executed throughout in a manner, which sets and maintains a level of quality and service consistent with the requirements of the BS ISO9001 2008 Quality Standard.

This policy is communicated to all employees, persons working on behalf of the company and external parties to the company with reasonable reason to request so.

Objectives to improve performance standards are set at management review meetings. Action plans are formulated and progress towards achievement is regularly monitored.
